

## **Match Report**

**Toulouse CC vs Tarn CC at Stade Sordelo**

**20 May 2007**

**Weather:** The promised showers never arrived – but by 4pm most of us were wishing they had. Still turned up red at work the next day though – and not just through embarrassment.

**Pitch :** Flix on less sand than last time

**Toss :** Toulouse won & decided to bowl.

The highlight of Tarns innings was a sparkling knock from Ahga of 119 not out, despite being caught off a no ball for next to nothing. Also he made good impression of Sir Garfield Sobers in the last over with 3 straight sixes off the first three deliveries.

Bowling wise Tony Wardle took 2 for 14 off 8 and Nick Brooks 3 for 38 off 8. Tarn finishing on 207 for 7.

After some lovely teas by Toulouse ladies we started our innings that never really got going. The innings included 4 ducks and only things of a note was a gritty 8 from Joel, a rapid 17 from Rich Wardle and a cameo knock of 14 from Andy Knee including our only 6 of the innings. Leaving us with a total of 73 all out. A young man named Shackleton got 4 for 26 for Tarn

All in all, a very harsh lesson in league cricket, but its all part of the learning curve for Toulouse cc
